BACHELOR OF SCIENCE IN PROJECT MANAGEMENT

CSUGlobal.edu/BSPJM • 800-920-6723

The Bachelor of Science in Project Management provides students with the opportunity to analyze and apply theories and concepts associated with organizations where resources are limited and time is critical. Learners will focus on contracts, asset procurement, risk, project control, monitoring, and earned value methods in addition to examining the costs and benefits of total quality management. Students will also learn to apply the soft skills associated with leadership, communication, and team building.

Degree Optimization

CSU-Global offers Awards of Completion and Skills Endorsements to help you spotlight the knowledge, skills, and abilities that hiring managers find essential to success in the field. Visit csuglobal.edu/ug-degree-optimization to learn more.

In the Bachelor of Science in Project Management, you will earn the following Awards of Completion, documenting your mastery of these subjects:

Foundations of Project Management

Applied Strategic Project Management for the 21st Century

279,800

Expected related job openings due to growth, replacement, and retirement between 2012-2022²

Why CSU-Global?

FLEXIBILITY

There isn't a lecture hall that you need to find or a bell when your class is starting, but don't think for a minute that an asynchronous learning environment means you won't be working closely with your instructor and your peers from around the world. You are just doing it at a time that fits your schedule.

AFFORDABILITY

Check out our standard, military, and affiliate tuition rates and see what you could be paying from your very first class until graduation. No surprise tuition hikes. No hidden student fees. No out-of-state charges. And a Tuition Guarantee ensures your low rates won't rise before you complete your degree.

QUALITY

With accreditation reaffirmed at regular intervals, annual programmatic appraisals by professionals working in the field, and faculty members with advanced degrees and first-hand industry experience, you can be sure you're getting a rigorous and relevant education.
