

# MASTER OF HEALTHCARE ADMINISTRATION

You are an effective manager in the field of healthcare. Your colleagues and superiors rely on you to make difficult decisions, and to make them intelligently. You reflect the dedication and values of your organization. And it's time to take that career to the next level with a Master of Healthcare Administration.

The healthcare industry is projected to grow 23% within the next seven years, much faster than the all-occupation average of 11%. If you're looking to advance within this rapidly growing field, and to earn the job you want, now is the time to stand out and chart your own path forward with a master's degree.

Build upon your existing passion and experience to get where you want to go in the field that you love. Contact us, and let us help you get started today.

CSUGlobal.edu/MHA • 800-920-6723

The Master of Healthcare Administration program prepares students for a wide variety of leadership roles within the healthcare industry. The program incorporates leadership skills, knowledge, analytical abilities, global perspective, and management tools needed to effectively and efficiently lead and manage in both private and public healthcare organizations. Students gain an increased understanding and awareness of the policies, laws, politics, problems, and issues facing the healthcare industry with an emphasis on the areas of quality assurance, risk management, managed care, insurance, healthcare laws and regulations, ethics, and other information and practices important to managing within a healthcare environment.

Director of Nursing

Clinical Director

Medical & Health Services Manager

Practice Administrator

Foundations of Healthcare Administration and Management

Applied Strategic Leadership in the Healthcare Industry

149,900

Expected related job openings due to growth, replacement, and retirement between 2012-2022<sup>2</sup>

## Why CSU-Global?

### FLEXIBILITY

There isn't a lecture hall that you need to find or a bell when your class is starting, but don't think for a minute that an asynchronous learning environment means you won't be working closely with your instructor and your peers from around the world. You are just doing it at a time that fits your schedule.

### AFFORDABILITY

Check out our standard, military, and affiliate tuition rates and see what you could be paying from your very first class until graduation. No surprise tuition hikes. No hidden student fees. No out-of-state charges. And a Tuition Guarantee ensures your low rates won't rise before you complete your degree.

### QUALITY

With accreditation reaffirmed at regular intervals, annual programmatic appraisals by professionals working in the field, and faculty members with advanced degrees and first-hand industry experience, you can be sure you're getting a rigorous and relevant education.
