

BACHELOR OF SCIENCE IN **ACCOUNTING**

You're a self-motivated, hard working individual with a sharp mind for numbers. You've always been good at math, and at weighing the long-term implications of the decisions you make today. You're exactly the sort of professional that can reach your potential with a Bachelor of Science in Accounting from CSU-Global.

Whether you're working in the field or want to start fresh with a new career, a Bachelor of Science in Accounting can help you become a valuable asset to any organization. It can help you become the one your colleagues and administrators turn to with their budgeting questions. It can help you become the one they trust to balance their books, to save them money, and to keep them in financial compliance.

If you're looking to increase your skills and become an invaluable resource in your company (or your next company), let us help you get started today.

This program, along with other CSU-Global business degrees, is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

Why CSU-Global?

FLEXIBILITY

There isn't a lecture hall that you need to find or a bell when your class is starting, but don't think for a minute that an asynchronous learning environment means you won't be working closely with your instructor and your peers from around the world. You are just doing it at a time that fits your schedule.

AFFORDABILITY

Check out our standard, military, and affiliate tuition rates and see what you could be paying from your very first class until graduation. No surprise tuition hikes. No hidden student fees. No out-of-state charges. And a Tuition Guarantee ensures your low rates won't rise before you complete your degree.

QUALITY

With accreditation reaffirmed at regular intervals, annual programmatic appraisals by professionals working in the field, and faculty members with advanced degrees and first-hand industry experience, you can be sure you're getting a rigorous and relevant education.
